Design e materiali di qualità per sviluppare una linea di tavoli che trovano tanti modi per esprimere la forma. Ogni tavolo è un'esigenza. Da quelli fissi a quelli allungabili. Meravigliosi abbinamenti di strutture solide ed estetiche con piani sobri e colorati. La vasta gamma dei tavoli permette di riconoscere lo stile e la praticità d'uso, la robustezza e la cura dei dettagli per distinguerli e valorizzarli.

Design and quality materials to develop a table style that finds a lot of way to express the form. Each table is a need, set or extensible. Wonderful combinations of solid structures with simple and colored tops. The big range of tables is recognizable by the style and practicality of use, details care and strength.

Matériaux de qualité pour développer une gamme de tables qui trouvent plusieurs manières pour exprimer la forme. Chaque table est une exigence. Depuis ceux fixes aux extensibles. Combinaisons merveilleuses de structures solides et esthétiques avec des plans sobres et colorés. La vaste gamme de tables permet de reconnaître le style et la praticité d'usage, la durabilité et l'attention aux détails pour les distinguer et les valoriser.

Conseguenza inevitabile quella di proporre sedie coordinate da abbinare ai tavoli, e non. In metallo o in legno o con rivestimenti in cuoio rigenerato, le sedie completano le composizioni della sala da pranzo. Si propongono al meglio negli ingressi o in zone di servizio. Colori sobri ed eleganti senza eccessi per sedie dedicate agli arredamenti di gusto, moderni o classici.

To offer chairs that fit tables is an inevitable consequence. Made of metal or wood, chairs complete dining room furnishing and they fit very well to entrance halls or service areas. Sober and stylish colors for both modern or classical furniture.

Conséquence inévitable est celle de proposer chaises coordonnées pour les assembler aux tables, ou aussi non. En métal ou en bois, avec revêtements en cuir régénéré, les chaises complètent les compositions de la salle à manger. Ils s'adaptent au mieux dans les entrées ou dans les zones de service. Couleurs sobres et raffinées sans excès pour chaises délicates aux ameublements de bon gout, modernes ou classiques.
