I_WASH

La lavanderia Arcom è un ambiente dove convivono la cura del design, la funzionalità delle soluzioni e la ricercatezza delle finiture. Da locale secondario e di puro servizio, la lavanderia acquisisce una nuova identità e diventa uno spazio tutto da progettare, arredare e attrezzare con soluzioni pratiche, versatili ed esteticamente coordinate.

An Arcom laundry room means carefully curated design, practical solutions and elegant finishes. With this new identity, the laundry room reveals itself to be more than a secondary utility space and is seen as a place to design, equip and accessorise with practical, versatile and aesthetically coordinated solutions.
